

PROPOSED RATES FOR SERVICES
BASE SERVICE FEES

1. **Residential Garbage Collection Fee** – is the monthly fee to be charged per residence for regular collection of household waste items *excluding* typical “bulky waste,” such as tree timber, old furniture; tires, rock, dirt, concrete, batteries, wet paint and any other “prohibited waste” items defined by state or federal laws or environmental regulations. The City of Valley Mills may designate apartment complexes and housing authority complexes as commercial businesses for the purposes of this contract and commercial rates offered herein will apply. The city may also elect to designate any number of such complexes as residential dwellings in which case each rented or leased unit will be considered a residence subject to the full residential fee. One 95-gallon roll-out cart will be distributed by Waste Connections for each residence. See “Additional 95-gallon Roll-out Cart Fee” customers who want an extra cart.

- a. Proposed monthly fee for once-per-week collection of roll-out carts *with no waste permitted outside the container(s)* and monthly scheduled bulky waste collection.

\$ 12.75 per residence for one 95-gallon roll-out cart & bulk
\$ 6.50 per residence for each additional 95-gallon roll-out cart
